Other news

We have a District Committee meeting coming up so if there are issues that you wish us to discuss on your behalf please let one of the District Committee representatives know and they will add it to the agenda for discussion.

TOWER CAPTAINS. Jez Bottley is updating tower information on the website and I have sent out an email asking you to complete a form to return to him by 21st October. If you have not received this email please let me know and if you have received it please send Jez the information required.

The ADM is not too far away (January 19th). As you know by now, this is when you, members of the Association, vote for District Committee members. So now is the time for you to think about whether you would like to stand for one of the positions on the Committee, or nominate someone else. I will mention this more than once, as usual.

That's it for this month.

Kind regards

Sally
